The Caring Community Foundation Announces 2019 Scholarship Awards

The Caring Community Foundation is a 501 (c)(3) charitable public foundation serving the Kansas Counties of Pottawatomie, Marshall, Nemaha and Jackson.

“We are building, serving and investing in our communities,” explained board chairman, Jay Rezac, “This year we are awarding over \$15,000 in scholarships. We are proud to help our area students in this way.”

All of our scholarships honor special intentions or celebrate an individual’s life. The Bruce Wayne Stallard Scholarship is in memory of a bright young music student at KU who was killed by a drunk driver on Easter morning. Community Hospital District #1 Auxiliary disbanded after many years of facilitating great health care; their final act was to create a healthcare scholarship that will always continue to offer their support to students pursuing a medical career. Walter Byers was the first executive director of the N.C.A.A. and left many legacies, including a scholarship to assist students in Northeast Kansas. The CCF is honored to assist all of our scholarship donors. Best wishes to all of our area graduates!

(List to be printed with this announcement on the next page. Thank you!)
