CAUSE

EXPEDITION CAMPAIGN

Caring Community Foundation, Inc.  
of Northeast Kansas

# Help us complete our journey to a more secure future by committing to an annual gift to the Caring Community Foundation!

We appreciate all donors and contributions of any amount. In the years that we have been actively initiating this community foundation, we have seen a lot of positive participation that reassures us that our efforts are worthwhile.

We take our commitment to community strength and improvement seriously, and to that end, we are launching this campaign. We know that it is bold; so is our commitment to a vibrant future for our communities. We know that a bright future won't just land at our feet, we have to have the determination and grit to enable it. We are seeking those who share our commitment, and have the means, to join us in this vital campaign to help solidify a strong future of ongoing community support.

**Please consider the information presented here and contact any of us to explore your philanthropic possibilities.**

# How can your gift help?

Your gift can help  
our local community  
provide:

- career education
- a stronger agricultural community
- community grants
- support for the arts
- student learning opportunities
- local healthcare for today and tomorrow
- support for school and community sports
- downtown development
- emergency response
- firefighting response
- preservation of local history
- support for teachers
- giving options for altruistic and tax reduction purposes
- a helping hand to establish endowments for non-profits and schools
- a more secure future for our communities!

# What is the CCF Expedition Campaign?

The Caring Community Foundation began its commitment to rural NE Kansas communities in 2016. Recognized by the IRS as a 501(c)3 public charity, the Foundation is an independent non-profit organization dedicated to enhancing the future for our local small communities.

As of August 2020 we steward 25 funds and over \$1.4 million. We enjoy the commitment of talented and professional people dedicated to our mission. Our challenge is growing our unrestricted community fund. Most donors have a specific personal cause in mind and we are honored to assist them.

With this campaign, we are seeking to strengthen the core of our Foundation, our unrestricted funds, so that **we can always be an available and helpful resource for our communities.**

Alone, we can do so  
little; together, we can  
do so much.

- Helen Keller

Considering gifts and pledges as of July 2020, we have approximately \$200,000 for our unrestricted community fund. To firmly secure a self-sufficient future, we believe \$1 million is needed.

We will continue our journey to build this Foundation and care for our communities; we hope you will participate and add your assistance to our community strengthening efforts.

We sincerely appreciate all support and are honored to have your trust in our stewardship of community funds.
